.....

Faculty of Medicine, King Mongkut's Institute of Technology Ladkrabang (KMITL), invites qualified clinician-educators to join our mission in teaching and research for the brand new international MD curriculum, which will commence in the Academic Year of 2018. We are looking for medical doctors who are board-certified in the following fields:

- | | |
|--|-------------|
| 1. Internal medicine including medical sub-specialties | 3 positions |
| 2. Surgical specialties including ophthalmology, otolaryngology, head and neck surgery | 3 positions |
| 3. Pediatrics | 2 positions |
| 4. Obstetrics and gynecology | 2 positions |
| 5. Family medicine or rehabilitation medicine | 2 positions |
| 6. Anatomical pathology, clinical pathology or laboratory medicine | 2 positions |
| 7. Radiology or nuclear medicine | 2 positions |
| 8. Psychiatry or clinical psychology | 2 positions |

Qualified applicants who are interested in these positions should send a recent curriculum vitae together with 1) a copy of Certificates or Diplomas in Medical Specialties, 2) an official report of TOEFL score (at least 550 in paper-based test or at least 80 in internet-based test) or IELTS Academic-Module score (at least 6.5) and 3) three recommendation letters to thanyaphong.na@kmitl.ac.th to schedule an interview during May to July 2018.

KMITL is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status or political viewpoint. Academic rank and salary are negotiable and depend on professional and teaching experiences. Applicants with an additional doctoral degree such as PhD, DPhil or DSc will be specially considered. For non-Thai MDs, a valid medical license of the country of origin is also required. However, a temporary Thai medical license can be granted if he/she is responsible for clinical services at KMITL Clinics or other affiliated hospitals.
